LTF Dojang Hub – User manual

Edition October 2026, for app version 0.12.0.

Published for the clubs of the Luxembourg Taekwondo Federation (LTF). Available in English, German, French and Luxembourgish.

All screenshots were taken from a demonstration installation filled with invented clubs, people and amounts. Any resemblance to real people is coincidental.

Words in **blue boxes** are the exact labels you see on screen. Numbered red circles in the screenshots are explained in the list under each picture.

The app keeps improving. If something on your screen looks different from this manual, the screen is right – and please tell the LTF so the next edition can be updated.

Welcome

LTF Dojang Hub is the shared online desk of the Luxembourg Taekwondo Federation and its clubs. Clubs keep their member list, order licences, take the roll in training, bill membership fees and run their shop. The federation checks licences, prints licence cards and keeps its books. Everyone shares one calendar. It is a management tool for the staff of the clubs and the federation; members and parents do not sign in.

1.1 Who this manual is for

The manual is organised by **what you do**, not by screen. Read the first two chapters, then jump to the chapter for your role.

If you are...	Read
a coach	Getting started (p. 6), then Coaches (p. 11) and Calendar (p. 45)
a club admin (president, secretary, treasurer, volunteer)	chapters 2 to 10 – start with The club year at a glance (p. 52)
working at the LTF office	LTF Admin (p. 53) or LTF Finance (p. 58)
the technical administrator	Modules (technical administrator) (p. 62)

Members and parents do not need this manual: they have no login, and their club looks after their data.

1.2 How to read this manual

- Words in a blue box, such as **Sign out**, are the **exact labels on screen**.
- Paths such as **Club management** > **Finance** > **Billing** tell you where to click, from the menu on the left to the tab at the top.
- Numbered steps are things to do, in that order. A line with a tick tells you what you should see afterwards.
- Red numbered circles in a screenshot are explained in the list under the picture.

TIP

Tips save you time.

WATCH OUT

“Watch out” boxes protect you from mistakes that are hard to undo.

GOOD TO KNOW

"Good to know" boxes explain why the app behaves the way it does.

2

Getting started

All you need is a web browser on a computer, tablet or phone. There is nothing to install.

2.1 Signing in

Open the address the LTF gave you. The sign-in page appears.

The screenshot shows the LTF Dojang Hub sign-in page. On the left, a dark blue sidebar displays the LTF logo and the text 'Luxembourg Taekwondo Federation', 'LTF Dojang Hub', and a brief description of the platform. The main area on the right is light blue and contains a 'Sign in' form. The form has two input fields: 'Username' (with the value 'john.doe') and 'Password' (masked with dots). Below these fields is a 'Submit' button. A language switcher in the top right corner shows 'English' with a dropdown arrow. Red numbered callouts (1-4) highlight the language switcher, the Username field, the Password field, and the Submit button respectively. The version 'Version 0.12.0' is displayed at the bottom of the form.

Figure 1 · The sign-in page

- 1 Language switch – choose English or Luxembourgish before you sign in.
- 2 Username
- 3 Password
- 4 Submit – signs you in.

► To sign in:

- 1 Type your username in **Username**. Your username is in the welcome email, for example `anne.reding`.
- 2 Type your password in **Password**.
- 3 Click **Submit**.

✓ You arrive on the start page for your role, for example the club overview or the federation overview.

GOOD TO KNOW

There is no public sign-up. Logins are created when someone is made a club admin or a coach (see [Club admins](#) (p. 51) and [Coaches tab](#) (p. 50)), or by the LTF.

Members and parents do not get a login.

2.2 Your first password

When you get a login, you receive a welcome email with a **set-password link**.

- 1 Click the link in the email. The page **Set your password** opens with your **Username** already filled in.
- 2 Type a new password in **New password** and again in **Confirm password**.
- 3 Click **Set password**, then **Continue to login**.

TIP

Let your browser or password manager save the username together with the new password. The page fills in the username for exactly that reason.

2.3 Verifying your email

If the sign-in page says your email isn't verified yet, open the verification email and click its link. No email? Click **Verify your email** under the sign-in button, type your email address and click **Resend verification email**.

2.4 Forgotten password

The sign-in page has no "forgotten password" link. Ask your club admin or the LTF: the technical administrator can send you a new password email. A club admin who was just created also gets a **Password reset link** shown on screen if the welcome email could not be sent.

2.5 Privacy and your data

The app has a page where you manage your own consent and data rights. It is not in the menu, so you open it by its address.

- 1 Sign in.
- 2 In the browser's address bar, replace everything after the app's address with `/en/settings/privacy` (or `/lb/settings/privacy`) and press Enter. Example: `https://<app address>/en/settings/privacy`.

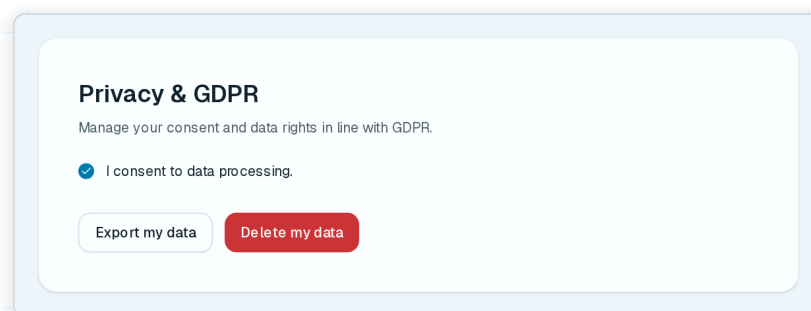

Figure 2 · The privacy page

The page **Privacy & GDPR** has three controls:

- **I consent to data processing** – tick or clear the box. The change is saved at once.
- **Export my data** – shows your data on the page, under **Export preview**: your login details and, if your login is linked to a member record, that member's name, grade and club, the licences, the licence and grade history and the photo details. The data is only shown on screen, not downloaded as a file.
- **Delete my data** – deletes your login.

WATCH OUT

Delete my data does not ask for confirmation. It deletes your login at once and signs you out. If the login is linked to a member record, the profile photo is removed and the notes on the grade history are cleared; the member record and its licences stay with the club.

GOOD TO KNOW

This page is being reviewed. For now its text is in English only, also when you use the app in Luxembourgish.

2.6 The screen at a glance

Every page has the same frame: the menu on the left, a bar across the top and the work area in the middle.

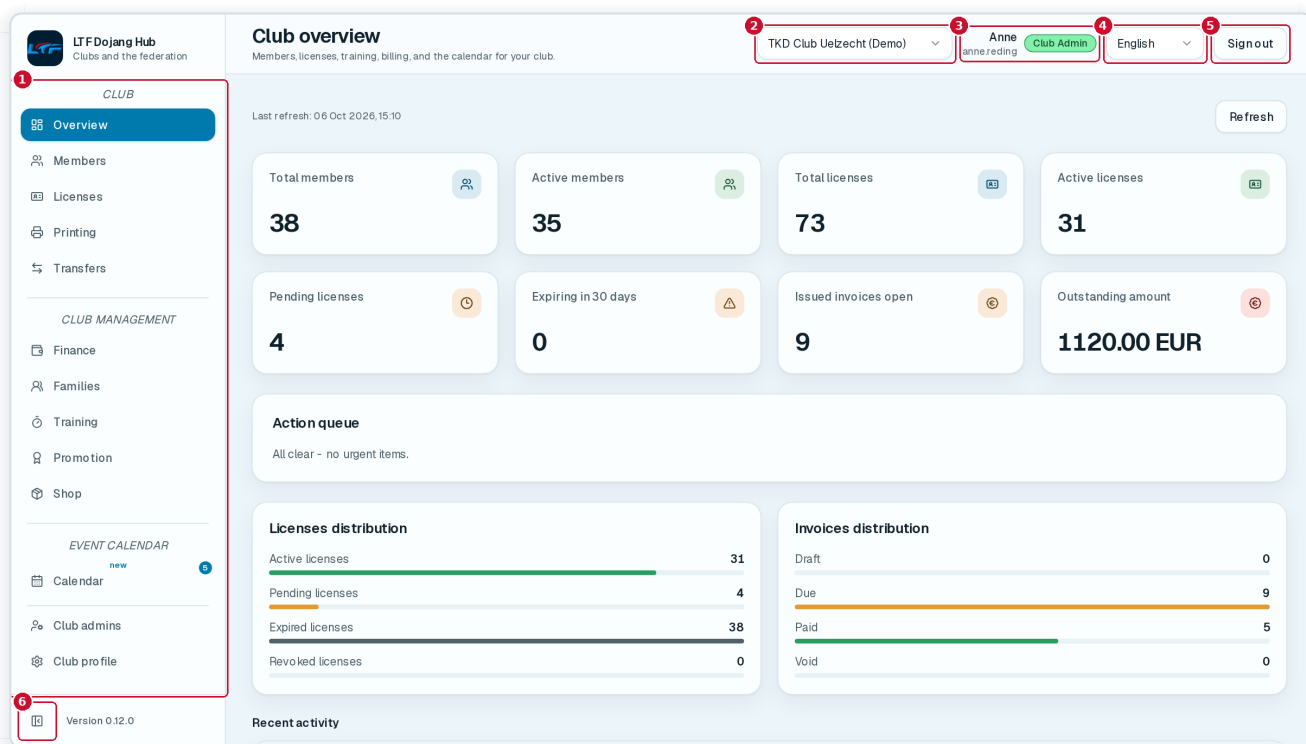

Figure 3 · The club overview with the main parts of the screen

- 1** **Menu**, grouped under headings such as **Club**, **Club management** and **Event calendar**. You only see what your role and your club's modules allow.
- 2** **Club selector** – if you look after more than one club, choose the club here. Every page then shows that club.
- 3** Your name, your username and your **role badge**, for example **Club Admin**.
- 4** **Language** – switch between **English** and **Luxembourgish** at any time.
- 5** **Sign out**
- 6** **Collapse sidebar** – makes the menu narrow to give tables more room. The app version is shown next to it.

TIP

On a phone the menu folds away. Tap the menu button at the top left to open it.

2.7 Roles: who can do what

Your role decides which menu you see. One person can have only one role per login.

Role badge	Typical person	Main work
Coach	coach	sees the training week, takes the roll, sees the calendar
Club Admin	president, secretary, treasurer, volunteer	runs the club: members, licences, money, training, shop
LTF Admin	federation office	clubs, licences, cards, transfers, federation calendar
LTF Finance	federation treasurer	federation orders, invoices, payments, books
Superuser	technical administrator	modules, users, system health

GOOD TO KNOW

Members and parents do not have a login. LTF Dojang Hub is currently a management tool for the staff of the clubs and the federation. The club keeps the data of its members and their parents and answers their questions. Member access may come later.

What each club role sees in the club menu:

Page	Coach	Club admin
Training	yes ¹	yes
Calendar	yes	yes
Overview , Members , Licenses , Print jobs , Transfers , Promotion	– ²	yes
Finance , Families , Shop	–	yes
Club admins , Club profile	–	yes

¹ Coaches see the week, take the roll and choose who taught the class. The timetable, holidays, rates and promotion rules are for club admins. ² These pages appear in a coach's menu but are not set up for coaches yet. A coach who is also a club admin uses them as a club admin.

GOOD TO KNOW

Recording payments is even stricter: it needs a current committee office. See [Who may record payments](#) (p. 27).

2.8 Modules: why some menus are missing

Parts of the app are switched on per club by the LTF as modules:

- **Club management** adds [Finance](#) , [Families](#) , [Training](#) , [Promotion](#) and [Shop](#) under [Club management](#) .
- **Event calendar** adds [Calendar](#) under [Event calendar](#) .

If your club has no module, you still have the **Club** pages: members, licences, printing and transfers. Ask the LTF if you are missing a module you need.

3

Coaches

Coach

A club admin makes you a coach in [Club profile](#) > [Coaches](#). You then get a login with the [Coach](#) badge.

GOOD TO KNOW

The coach role is still being built. This chapter describes what works for coaches today: the training week, the roll and the calendar. More coach features are planned.

3.1 Your week

Open [Training](#). The tab [This week](#) lists every class of the week with its status and coaches.

The screenshot shows the LTF Dojang Hub interface. On the left is a sidebar with navigation links: Overview, Members, Licenses, Printing, Transfers, Training (selected), Promotion, and Calendar. The main content area is titled 'Training' and shows 'This week'. It includes a search bar, filters for 'All', 'Scheduled 3', 'Held 2', and 'Cancelled 0', and a table of classes.

DAY	DATE	TIME	CLASS NAME	KIND	STATUS	PRESENT	COACHES	
Tuesday	2026-10-06	17:30-18:30	Kids beginners	Kids	Held	7	Jeff Lorang	Take the roll
Tuesday	2026-10-06	19:00-20:30	Adults	Adults	Held	4	Jeff Lorang	Take the roll
Thursday	2026-10-08	17:30-18:45	Kids advanced	Kids	Scheduled	0	Jeff Lorang	Take the roll
Thursday	2026-10-08	19:00-20:30	Adults	Adults	Scheduled	0	Jeff Lorang	Take the roll
Friday	2026-10-09	18:30-20:00	Competition team	Competition preparation	Scheduled	0	Jeff Lorang	Take the roll

Figure 4 · A coach's training week

3.2 Taking the roll

Do this during or right after the class. It takes less than a minute.

Kids beginners
2026-10-06 17:30-18:30

☐ Emma KLEIN · 22

Figure 5 · Taking the roll for a class

- 1 Coaches for this class** – add or remove the coaches who actually taught.
- 2** Age filters such as **All ages** – they only shorten the list; every active member may attend.
- 3 On this roll** – the students marked present.
- 4 Mark the names shown as present** – ticks everyone in the current list in one go.
- 5 Save roll**
- 6 Add students** – search for anyone else who came.

- 1** In **Training** > **This week**, click **Take the roll** next to the class.
- 2** The usual students are already on the roll. Click a name to take it off if that student was absent.
- 3** Under **Add students**, tick anyone else who came. Search by name if the list is long.
- 4** Check **Coaches for this class**.
- 5** Click **Save roll**.

✓ The class now shows as **Held** and its hours count towards each student's next belt (see **Promotion** (p. 41)) and towards coach pay.

TIP

Take the roll on a phone at the side of the mat. The page is made for small screens.

3.3 Calendar for coaches

Coaches see public club events and also **Internal** ones, so the club can share coach meetings with its coaches and admins only. See [Calendar](#) (p. 46).

4

Club admin: members and licences

Club admin

4.1 Club overview

Overview is your dashboard. It counts members, licences and open invoices, and its **Action queue** lists things that need you, each with a button that opens the right page.

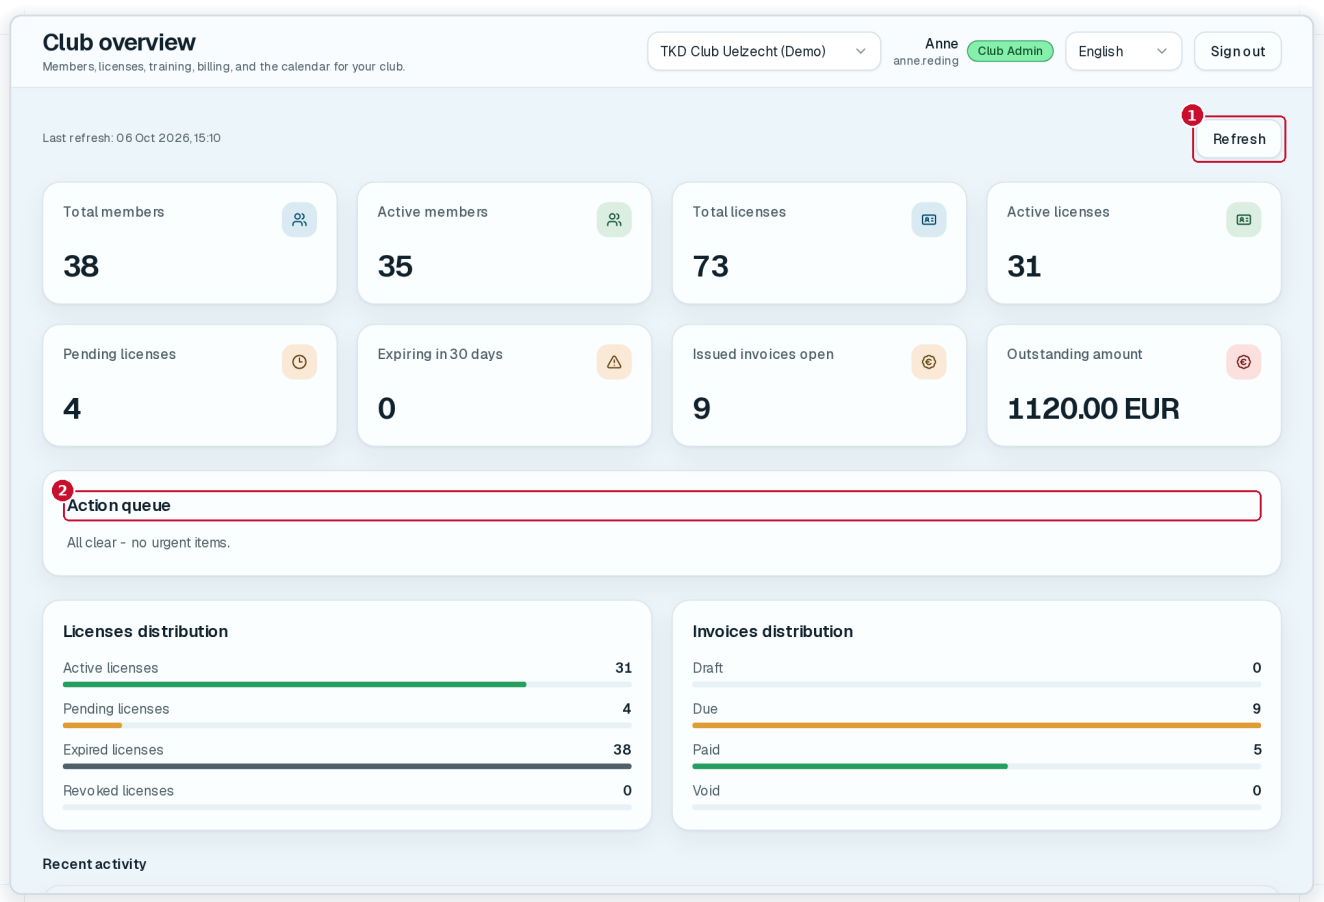

Figure 6 · The club overview

- 1 **Refresh** – reloads the numbers.
- 2 **Action queue** – when it says “All clear”, nothing is waiting.

4.2 The members list

Members lists everyone in your club.

4.4 Importing members from a spreadsheet

Use this once, when your club starts with the app, or to add a whole group.

- 1 Save your list as a CSV file (one row per person, one column per field).
- 2 In **Members**, open **Members** and click **Import members**.
- 3 **Source and options**: choose the **Date format** used in your file and click **Choose CSV file**. Click **Continue to mapping**.
- 4 **Field mapping**: for each field of the app, pick the matching column of your file. **Auto-map matching fields** does most of the work. All fields marked **Required** must be mapped.
- 5 **Preview and resolve**: click **Preview**. Each row is **Ready**, **Duplicate**, **Invalid** or **Skipped**. Fix your file or change the action for a row.
- 6 **Confirm import**: click **Run import**.
- 7 **Import result** shows what was created.

Import members
Use a step-by-step wizard to import members from CSV.

Cancel Continue to mapping

Figure 10 · Step 1 of the import wizard

TIP

If your file has a membership end date column, use [Use membership end dates by year](#) to import current members as active and skip people who left years ago.

4.5 The member record

A member's page has six tabs.

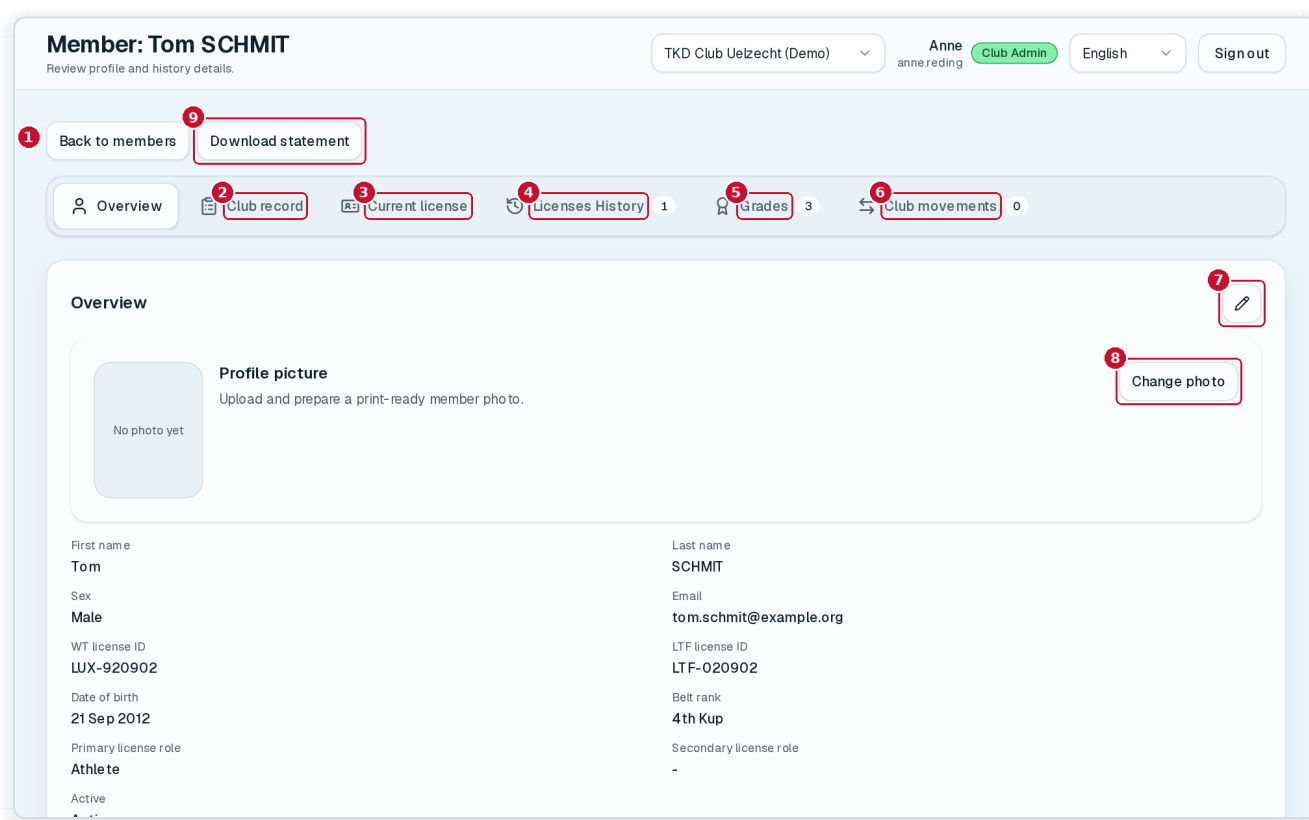

Figure 11 · A member's page

- 1 **Overview** – name, birth date, licence numbers, belt.
- 2 **Club record** – what only the club needs (below).
- 3 **Current license** – this year's licence and its card preview.
- 4 **Licenses History**
- 5 **Grades**
- 6 **Club movements** – transfers between clubs.
- 7 Edit the overview data.
- 8 **Change photo** – opens the photo editor (see [A member's photo](#) (p. 21)).
- 9 **Download statement** – a PDF of the member's invoices and payments.

The club record

Club record holds the details the club needs for daily life. Everything is optional; fill in what you use.

Figure 12 · The club record

- 1 **Pays the license fee** – clear this for a member who should not pay the club's licence fee.
- 2 **Membership fee** – which membership fee is charged; **Club default fee** if left alone.
- 3 **Invoice delivery** – **Email** , **Post** or **In person** .
- 4 **Contact persons** – parents, guardians, emergency contacts.

It also contains **Social security number (13 digits)** , **Joined this club** , two nationalities, **Medical conditions / special needs** , **Email addresses** , **Phone numbers** , **Addresses** , **Publication consent** and the **Médico sportif** dates. Click **Save club record** when you are done.

TIP

For a child, add the parent under **Contact persons** and tick **Also use this parent for the other children in the family** to reuse the same parent for brothers and sisters.

A member's photo

The photo is printed on the licence card, so a good photo saves a reprint.

- 1 Open the member and click **Change photo** .
- 2 Drop a picture into the box, click **Choose file** , or click **Use camera** and then **Take photo** .
- 3 Use **Zoom** and drag the picture until the face fills the 8:10 frame. The **Live preview** shows the result.
- 4 If you like, click **Remove background** and pick a colour under **Background color** .
- 5 Tick **I consent to storing and using this photo for app display and physical card printing** .
- 6 Click **Save photo** .

TIP

A plain wall, good light and a straight look into the camera give the best result. JPEG, PNG and HEIC photos up to 10 MB are accepted.

4.6 Ordering licences

Every athlete needs a yearly LTF licence. You order licences for several members at once; the LTF then invoices your club.

- 1 In **Members**, tick the members who need a licence.
- 2 Open **Actions** and click **Order license**.
- 3 Choose the **Year**. Depending on federation policy you can order for this year or pre-order for next year.
- 4 Under **Available to order**, click a licence type marked **Available**.
- 5 Check **Members in this order**. Members who already have this licence are listed under **Already licensed**; click **Remove members who already have this license** or **Remove members who cannot order** if needed.
- 6 Click **Create order for 2026**.

✓ The page shows **Order created**. The licences are **Pending** until the LTF has received your payment and activated them.

Order licenses
Choose a year and an available license type, then confirm who is included.

TKD Club Uelzecht (Demo) Anne anne.reiding Club Admin English Sign out

Tom MULLER already has a pending Annual license license for 2026. [View profile](#)

Members in this order
Everyone marked ready will be included.

Create order · 2 members · Official license · 2026 Back to members Create order for 2026

Figure 13 · Ordering licences for two members

GOOD TO KNOW

A licence type you cannot choose shows why, for example **The ordering window is closed.** or **No price is set for this type.** . Ordering windows and prices are set by the LTF.

The order and its invoice appear in **Finance** > **Orders** and **Invoices** . Pay the federation invoice as explained in **Paying the LTF** (p. 32).

4.7 The licences list

Licenses shows every licence of the club with its status: **Active** , **Pending** or **Expired** . Search by member, year or status. Tick licences and use **Actions** > **Print cards** to print their cards.

	MEMBER	YEAR	LICENSE TYPE	STATUS	ISSUED
☐	Lisa WEBER	2026	Annual license	Pending	—
☐	Leo WEBER	2026	Annual license	Pending	—

TIP

If the print sits a few millimetres off, ask the LTF for a printer profile with the right X/Y offset instead of changing the card design.

4.9 Transfers between clubs

A member who moves to another club is **sent** by the old club and **accepted** by the new one. The licence and history move with the member.

► **To send a member to another club:**

- 1 Open **Transfers**.
- 2 Click the member in the left column, then click the destination club on the right. Type in the search boxes to find them faster.
- 3 Enter a **Fee (EUR)** if your club charges one, or leave it at 0 for a free transfer, and add a note.
- 4 Click **Send request**.

Member transfers

Send a member to another club. The other club admin must accept before the member moves.

GOOD TO KNOW

The sending club can cancel its own request until the other club has answered. Only clubs that have a club admin can receive transfers.

5

Club admin: money

[Club admin](#)[Club management module](#)

Under **Finance** you find the club's books. The tabs across the top are: **Orders**, **Invoices**, **Payments**, **Billing**, **Fees**, **Income**, **Expenses**, **Bank**, **Reports** and **Subsidies**.

GOOD TO KNOW

The club's books contain two kinds of invoices: **LTF invoices** (licences your club buys from the federation) and **club invoices** (membership fees and shop sales you bill to your members). The **Accounting** filter on **Invoices** switches between them.

5.1 Who may record payments

Payments and other changes to the club's books need a **current committee office**:

Only the president, vice president, treasurer, secretary general, or secretary can record payments.

Make sure the committee is up to date in **Club profile** > **Committee** (see **Committee** (p. 50)).

5.2 Families and rebates

A family groups members who live together so they get one invoice and family rebates.

- 1 Open **Families**. Type a **Family name** and click **Create family**.
- 2 Open the family and add the members **in rebate order**: rank 1 pays full price, rank 2 gets the second-member rebate, and so on.
- 3 Under **Receives the bill**, choose who receives the bill, or click **Add a parent or guardian** for a parent who is not a member.
- 4 Choose the **Invoice delivery**. **Email if possible, otherwise post** is a safe default.

Families
Group members for family rebates. Yearly billing is under Finance -- Billing.

Figure 18 · Families

Use **Invoice preview** to check the amounts before you bill.

5.3 Membership fees

Fees is the price list. Set it up once; it carries over to the next year.

- 1 Under **Membership fees**, type a **Fee name** (for example "Adults") and an **Amount (EUR)**, then click **Add membership fee**. Add one fee per kind of dues, such as children, adults, family.
- 2 When a price changes, do **not** create a new fee: open the fee, enter the new amount and **Applies from** date and click **Save new amount**.
- 3 Under **License fee**, set the amount you charge members for their LTF licence, or leave 0.00.
- 4 Under **Billings for the year**, click **Add another billing** only if you bill the membership fee more than once a year (for example a spring bill). Then choose under **License fee billing** which bill carries the licence fee – see [When the licence fee is charged](#) (p. 31).
- 5 Under **Family rebates**, click **Add rebate rule** for rank 2, 3... Choose **Percent** or **Fixed amount**. Tick **Also apply to every following member** so that every further child gets the same rebate.

Figure 20 · Membership billing

- 1 The **Billing** tab.
 - 2 **Year** and, if your club bills more than once, the billing.
 - 3 **Print postal / in-person pack** – a PDF of all invoices to post or hand over.
 - 4 **Review and issue**
 - 5 **Select all ready**
 - 6 Status filter.
 - 7 A household marked **Blocked** – open it to see why.
- 1 Open **Finance** > **Billing** and choose the **Year**.
 - 2 Look for households marked **Blocked**. The reason is shown in the row: usually **Choose who receives the bill.** (for a child) or a missing membership fee. Fix them in **Families** or **Fees**.
 - 3 Click **Select all ready**.
 - 4 Click **Review and issue**, check the totals in the confirmation and click **Issue invoices**.
 - 5 Email invoices are sent at once. For the rest, click **Print postal / in-person pack** and print the PDF.
- ✓ The households now show **Invoiced**. They turn **Paid** when you record the payment.

GOOD TO KNOW

A member with a fee of 0.00 gets a bill of 0,00 marked paid, as proof of membership. This does not replace an LTF licence.

5.5 When the licence fee is charged

The Taekwondo season runs from September to September, like the Luxembourg school year. The licence fee is normally charged with the **first bill of the season**. In the app, however, billings are counted per calendar year (**Year**), so the first bill of the season is not always **Billing 1**.

- **One bill a year** (usually in autumn): it opens the season and carries the licence fee. There is nothing to set.
- **Two bills a year**: the spring bill covers the second half of the running season, and the autumn bill opens the new season. The autumn bill is then the **second** bill of the calendar or financial year, and it is the one that should carry the licence fee.

Example: a club bills in February and in October 2026.

Bill	In the app	Season	Licence fee?
February 2026	Billing 1 , label "Spring"	second half of 2025/26	no – already charged in October 2025
October 2026	Billing 2 , label "Autumn"	start of 2026/27	yes

► To set this up:

- 1 Open **Finance** > **Fees** and pick the **Year** under **Billings for the year** .
- 2 Click **Add another billing** and enter a **Label** for the new bill, for example "Autumn".
- 3 Under **License fee billing** , choose **Billing 2** .

GOOD TO KNOW

The app describes this rule in two places. **Billing** says the licence fee is added "on each member's first bill"; **Fees** says "on the billing chosen for that year". Both mean the same bill: the one chosen under **License fee billing** , which is the first bill of the season. A member who joins after that billing has started pays the licence fee on the next bill. Invoices already issued stay as they are.

5.6 Recording a payment

- 1 Open **Finance** > **Invoices** and click **Record payment** next to the invoice.
- 2 Check the **Payment date** . It defaults to today.
- 3 **Transaction communication** is pre-filled with the invoice number, so it matches the bank transfer.
- 4 Choose the **Payment method** and click **Record payment** .

Figure 21 · Recording a payment

TIP

Ask parents to put the invoice number in the transfer communication. It makes bank matching (below) almost automatic.

5.7 Paying the LTF

LTF invoices for your licence orders are in **Invoices** with the **Accounting** filter set to LTF. Pay them by bank transfer with the invoice number as communication. LTF Finance records the payment and activates the licences.

GOOD TO KNOW

The **Pay now** button currently runs **test payments** only. Online payment is not yet used for real payments, and the payment provider for the future has not been decided. Until then, pay by bank transfer.

5.8 Other income and expenses

- **Income** : click **Record income** for subsidies, donations, sponsoring and other income. Attach a **Receipt** if you have one.
- **Expenses** : the page for the club's own expenses. Its subtitle reads **Record this club's expenses for the annual books and reports**. Click **Record expense**. The form confirms that the expense goes to your club's accounts, not the federation's: **Book an expense against this club's accounts**. Fill in **Expense date**, **Category**, **Description**,

Payee and **Amount**. Tick **Already paid** if the money has left the account and choose the **Payment method**. You can attach a **Receipt** (PDF or image).

Wrong entry? Open it and use **Void income** or **Void expense**. Voided entries stay visible for the auditors.

5.9 Bank reconciliation

Bank compares your bank statement with the books. No bank connection is used: you upload a file.

- 1 Download a CSV or CAMT.053 statement from your online banking.
- 2 In **Bank**, click under **Statement file** to choose the file, then click **Import statement**.
- 3 Open the statement. Match each line to a payment, income or expense, or mark bank-only items such as fees as ignored.

Bank reconciliation
Import a CSV or CAMT.053 statement and match it to payments, income, and expenses.

Figure 23 · Financial reports

5.11 Subsidies

Subsidies prepares the yearly MyGuichet file for the ministry and fills extraordinary grant forms. The app does not send anything: you still file the application yourself.

Figure 24 · The subsidies page

- 1 Choose the **Year**. The default filing deadline is 30 September.
- 2 Work through **Readiness** until every point is green.
- 3 Upload the **Bank identity statement (RIB)**.
- 4 Under **Coaches**, set each coach's **Qualification** and upload the diploma. Coaches are appointed in **Club profile** > **Coaches**.
- 5 Download the **Training list** and the **Trainers list**. The president or a delegated committee member certifies them.
- 6 Under **Athletes under 16**, type each child's national number and export the **Youth list CSV**.
- 7 Copy the **Headcount for MyGuichet** table into MyGuichet.
- 8 After filing, record **Submitted on**, and later **Paid on** and **Amount received**. The next time a president, vice president, treasurer or secretary opens the page, the amount is added to club income.

The scores are calculated as follows:

Score	Rule used by the app
Volunteering points	fewer than 50 licensed members: 150 · 50 to 200: 300 · more than 200: 500
Coach points	per coach, by qualification: EQF 1 and 2 = 20 · EQF 2 bis and 3 = 40 · EQF 4 = 60 · EQF 5 and 6 = 100
Qualité+ estimate	€150 per licensed athlete under 16

For trips to a championship or an international cup, use **Extraordinary grants** : choose the **Type** , add athletes and officials, enter travel, stay and entry costs, click **Save request** and then **Download filled form** .

Club admin: training and promotion

Club admin

Coach

Club management module

Training has six tabs: **This week**, **Month**, **Year**, **Timetable**, **Holidays** and **Coach pay**.

6.1 The week

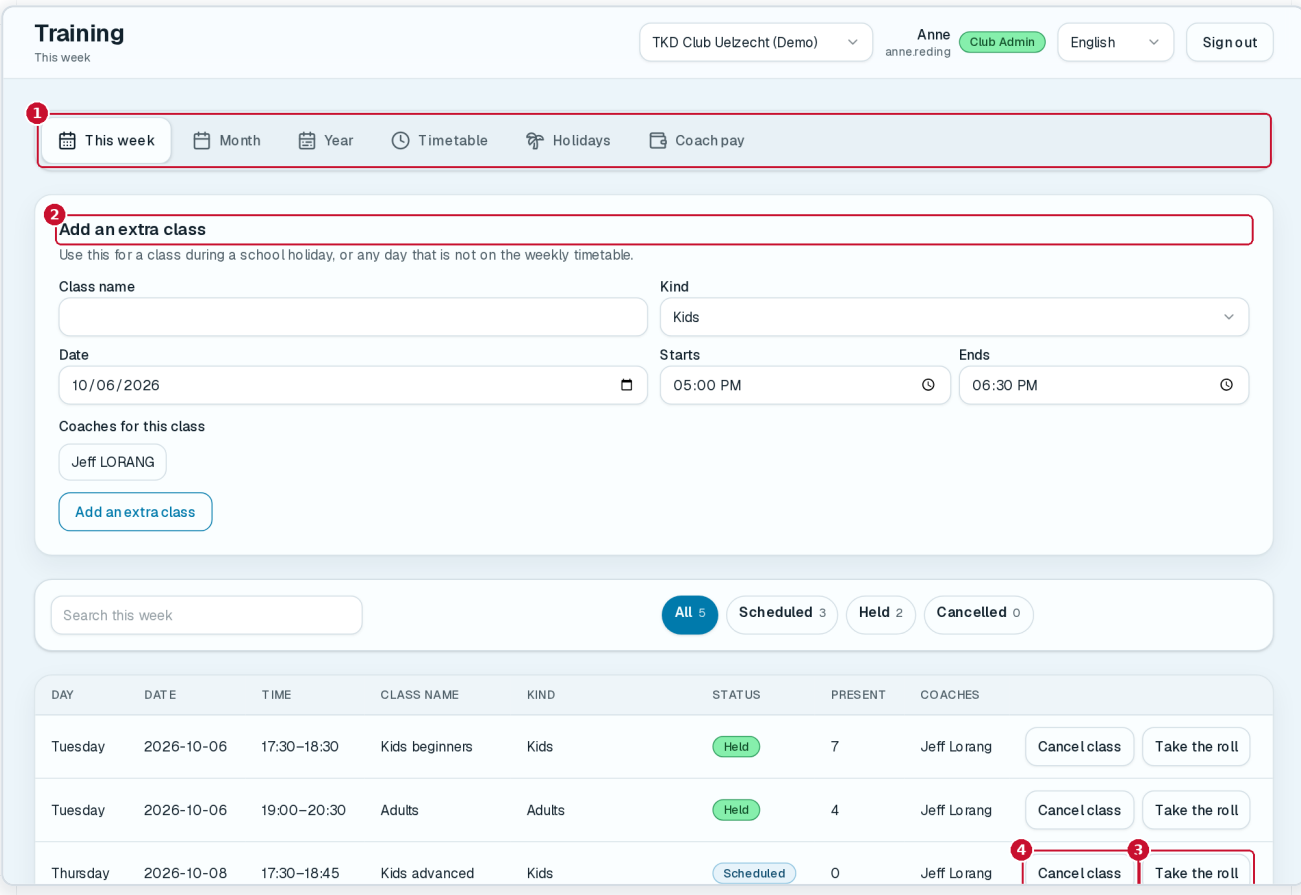

Figure 25 · The training week

- 1
- The training tabs.
- 2
- Add an extra class** – for a class on a school holiday or any extra date.
- 3
- Take the roll** – see [Taking the roll](#) (p. 12).
- 4
- Cancel class** – for example when the hall is closed. Club admins only.

6.2 Setting up the timetable

Do this once at the start of the season. Each class then repeats every week until the end date.

- 1
- Open **Timetable**.

- 2 Under **Add class**, enter **Class name**, **Kind**, **Day**, **Starts** and **Ends**, and the season **From** / **To**.
- 3 Keep **Skip Luxembourg public holidays** and **Skip school holidays** ticked if the club pauses then.
- 4 Tick **Counts for under 16** for classes that belong on the Qualité+ training list.
- 5 Choose the **Usual coaches** and the **Usual students**. The regulars are pre-selected on every roll.
- 6 Click **Add class**.

The screenshot shows the 'Add class' form within the 'Training Timetable' section. The form is titled 'Add class' and contains several input fields and checkboxes. The 'Class name' field is empty. The 'Kind' dropdown is set to 'Kids'. The 'Day' dropdown is set to 'Monday'. The 'Starts' time is '05:00 PM' and the 'Ends' time is '06:30 PM'. The 'From' and 'To' date fields are empty, with a placeholder 'mm/dd/yyyy'. There are two checkboxes: 'Skip Luxembourg public holidays' and 'Skip school holidays', both of which are checked. Below these is a checkbox for 'Counts for under 16', which is also checked, with a subtext 'Include this class on the Qualité+ training list.' The 'Place' field is empty, with a subtext 'Leave empty to use the hall from the subsidy file.' Under 'Usual coaches', there is a button labeled 'Jeff LORANG'. Under 'Usual students', there is a subtext 'These names start selected the first time you take the roll.' and four buttons: 'All ages', 'Under 12', '12 and older', and '18 and older'. Below these is a search bar labeled 'Search students'. At the bottom, there is a table with two columns: 'Select shown' and '0 selected'. The table contains two rows: one for 'Anne REDING · 47' and one for 'Ben WAGNER · 16', both with checkboxes.

Figure 26 · Adding a weekly class

6.3 Holidays

Holidays lists Luxembourg's **Public holidays** for the year. Add your **School holidays** with **Add school holiday**. Classes that skip holidays are left out automatically on those days.

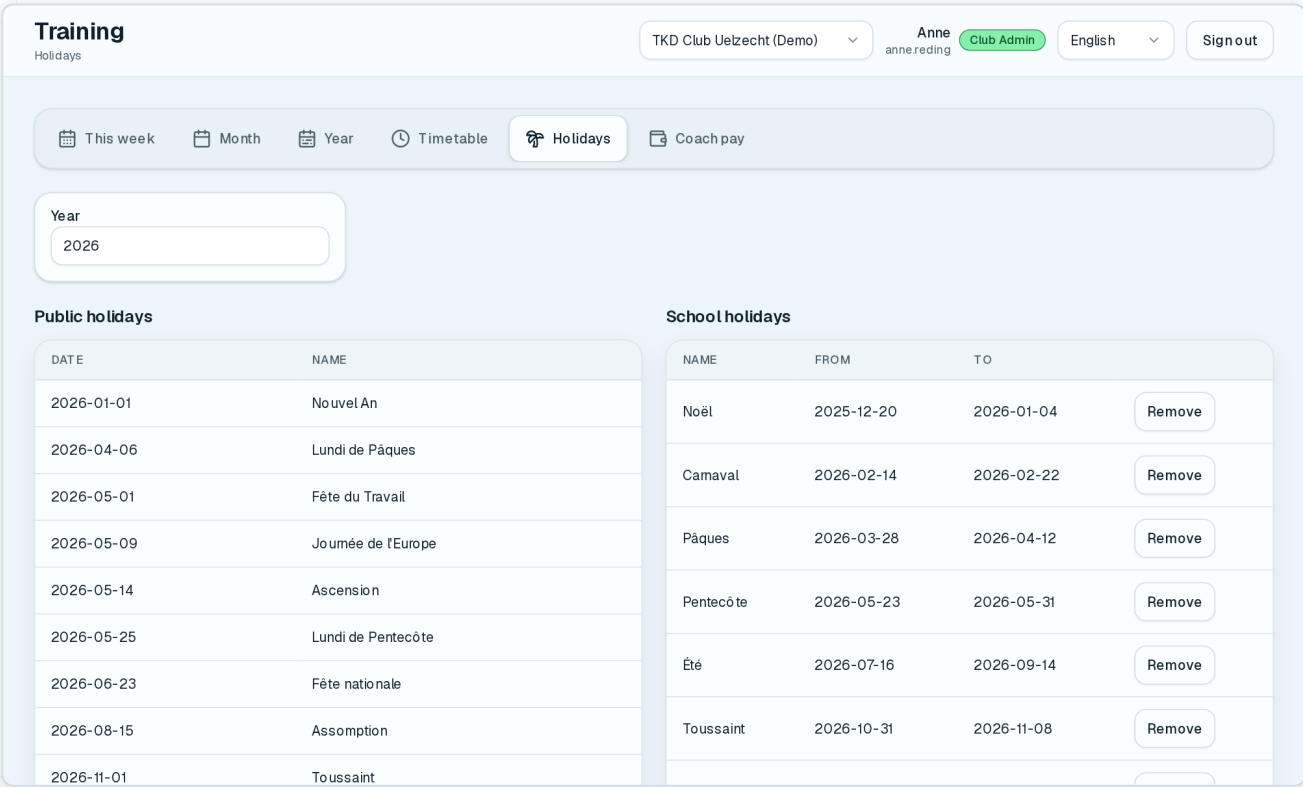

Figure 27 · Public and school holidays

6.4 Month and year views

Month shows the classes as a calendar; **Year** shows one mark per class over the whole season. Open a day to take the roll.

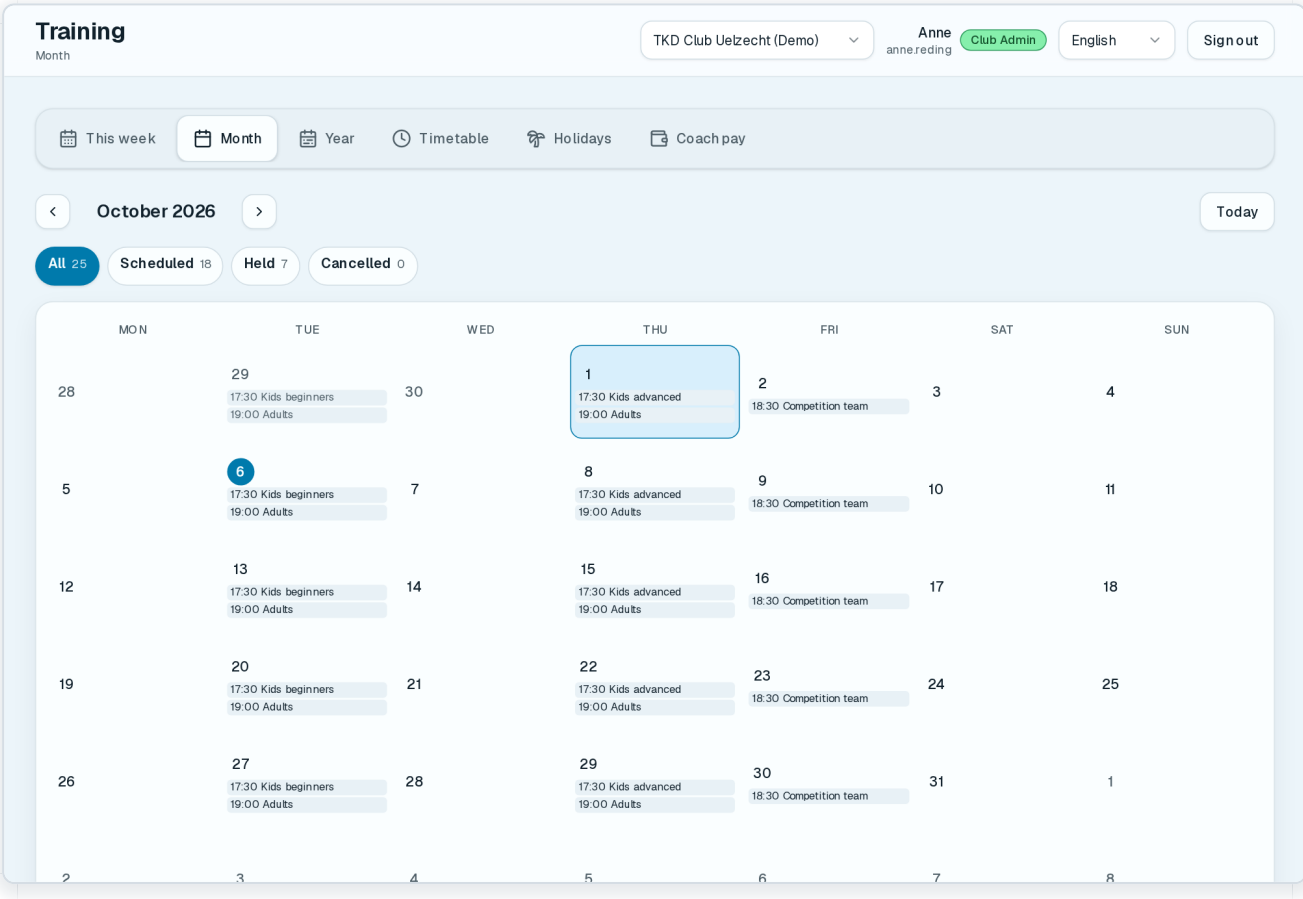

Figure 28 · The month view

6.5 Coach pay

Coach pay adds up what each coach is owed.

- 1

Set **How often** and the paydays, then click **Save paydays** .
- 2

Under **Coach rates** , choose for each coach **Hour** or **Training unit** , enter the **Rate (€)** and click **Save rate** .
- 3

Under **Tournaments, fuel, and hotel** , add a row for a tournament, fuel or a hotel the club pays.

This club's admins and coaches. Members, other clubs, and the LTF cannot see it.

Private

Only this club's admins. Coaches, members, other clubs, and the LTF cannot see it.

All clubs and the LTF

LTF and every club's admins and coaches, so another club can see this date. Members of other clubs cannot. Members of this club can.

Save event

Back to calendar

Figure 35 · A new club event

1 Who can see this – the description under each choice tells you exactly who will see the event.

Choice	Club event: who sees it	LTF event: who sees it
Public	members, admins and coaches of this club, plus LTF Admin	everyone signed in
Internal	this club's admins and coaches	LTF Admin, LTF Finance, club admins and coaches
Private	this club's admins only	LTF Admins only
All clubs and the LTF	LTF and every club's admins and coaches, plus this club's members	LTF and every club's admins and coaches
Club presidents	–	LTF Admins and the current president of each club ticked under Concerned clubs

GOOD TO KNOW

The descriptions on screen also mention members. Members do not have a login today (see Roles (p. 10)), so in practice an event is seen by the staff listed.

TIP

Planning a club tournament? Use All clubs and the LTF so other clubs see the date early and avoid clashes.

8.2 Reminders

Open an event, choose a date in **Remind me on** and click **Save reminder**. On that day a reminder pops up when you are in the app. Click **Snooze for a day** or **Got it**. **Remove reminder** removes it.

Club admin: club profile, committee and admins

Club admin

Club profile has four tabs.

Club profile
Update your club profile information.

TKD Club Uelrecht (Demo) Anne anne.reiding **Club Admin** English Sign out

1 Profile 2 Coaches 3 Committee 4 Publication consent

Update club profile
Keep your club details up to date for the federation.

Club name
TKD Club Uelrecht (Demo)

Address line 1
12 Rue de la Gare

Address line 2
Building, floor, unit (optional)

Postal code
7520

Locality
Mersch

Club email
info@uelrecht.example.org
Used for invoices and other club mail. If empty, club admins are used.

Website
https://uelrecht.example.org
Printed on invoices the club sends to its members, under the club email.

Club status **Active**
Inactive clubs are not billed for club fees.

Communication language

Figure 36 · Club profile

- 1 **Profile** – address, email, website, IBAN, language.
- 2 **Coaches**
- 3 **Committee**
- 4 **Publication consent**

9.1 Profile

Keep the **Club email**, **Website**, **IBAN** and **Communication language** correct: they are printed on the invoices you send to members, and the LTF writes to you in that language. Click **Save club**.

9.2 Coaches

- 1 Open **Coaches**.
- 2 Click a member on the left, then click the **Coaches** box on the right.
- 3 If the member has no email yet, enter one in **Email for their sign-in** and click **Add**. The coach receives a welcome email to set a password.
- 4 Tick **Qualité+** for coaches who belong in the Qualité+ file.

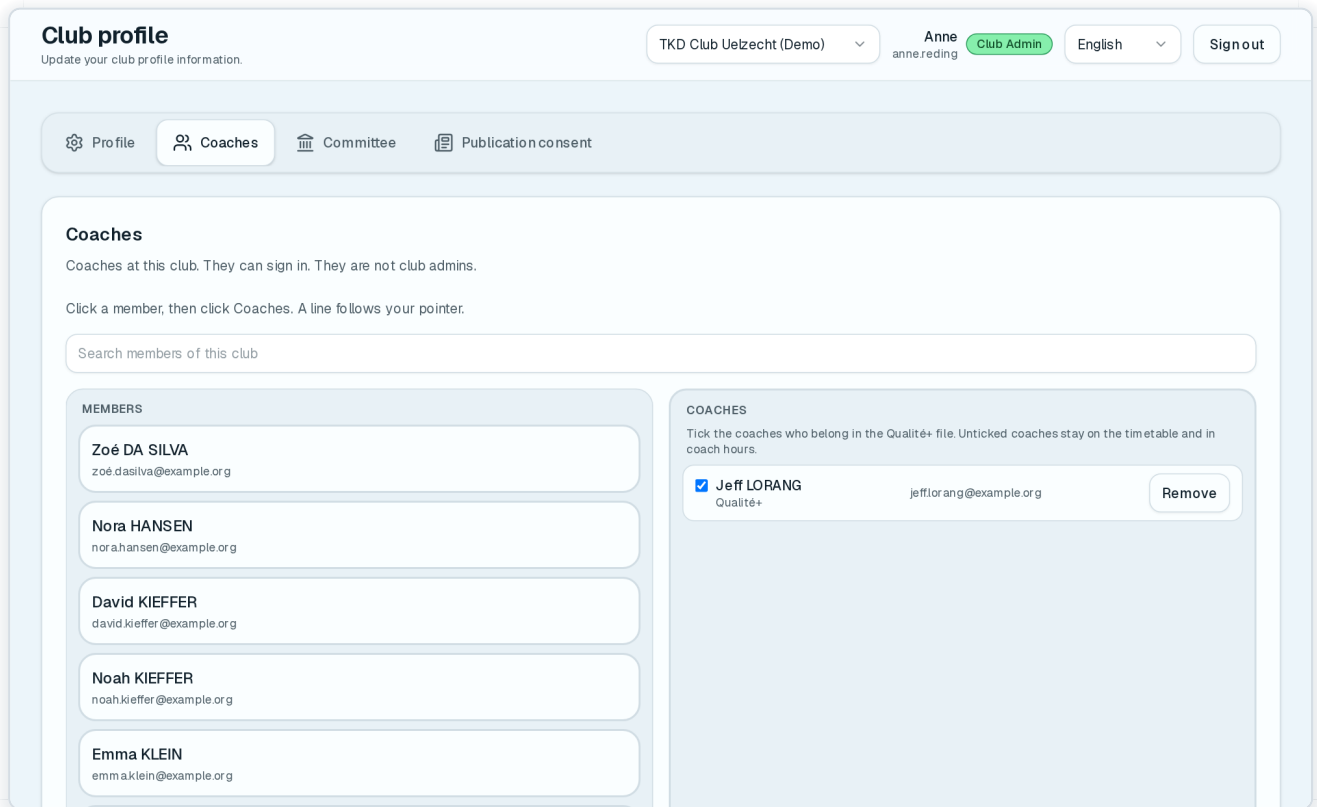

Figure 37 · Coaches

GOOD TO KNOW

Coaches must be active adult members of your own club. **Remove** removes the coach role; the person stays a member.

9.3 Committee

The committee decides who may record payments, and its president receives meetings for club presidents.

- 1 Open **Committee**. If needed, click **Create committee**.
- 2 Under **Offices**, choose an office such as President, enter **Starts** and click **Add office**.
- 3 Click the office, then click the member who holds it.

Figure 38 · The club committee

WATCH OUT

When the treasurer changes, update the committee **before** the next payment run. Without a current office nobody in the club can record payments.

9.4 Publication consent

Publication consent shows a grid of members and channels (website, print media, Facebook, Instagram...). Each tick is saved immediately. Before posting photos, tick the channels and download **PDF members** to get the list of members who must not be shown.

9.5 Club admins

Club admins decides who runs the club in the app.

- 1 Open **Club admins**. Click your club on the right to list its members.
- 2 Click a member, then click the club again.
- 3 If the member has no login yet, enter an email under **Email for the new login**. A welcome email with a set-password link is sent.

Club admins

Connect a member to their own club to make them a club admin.

The club year at a glance

A checklist for the busy volunteer. Each line links to the section that explains it.

When	Task	Section
Summer	Update committee, coaches, club profile	Committee (p. 50)
Before the season	Timetable, holidays, promotion rules	Timetable (p. 37)
September	Fees and family rebates	Membership fees (p. 28)
September	Order licences for all athletes	Ordering licences (p. 22)
September	Pay the LTF invoice	Paying the LTF (p. 32)
Once paid	Print licence cards	Printing cards (p. 23)
By 30 September	Subsidy file	Subsidies (p. 34)
October	Bill membership fees	Billing (p. 29)
Every class	Take the roll	Taking the roll (p. 12)
Monthly	Record payments, import the bank statement	Bank (p. 33)
Before a grading	Belt test	Promotion (p. 41)
Year end	Reports for the general assembly	Reports (p. 33)

11

LTF Admin

LTF Admin

The federation menu (Federation) contains Overview , Clubs , Club admins , Transfers , Members , Licenses , License cards , Card print jobs , License types , Printer profiles and Settings , plus Committee and Calendar .

11.1 Federation overview

The overview counts clubs, members and licences, and its action queue lists clubs without an admin, pending transfers with a fee and members waiting for a licence.

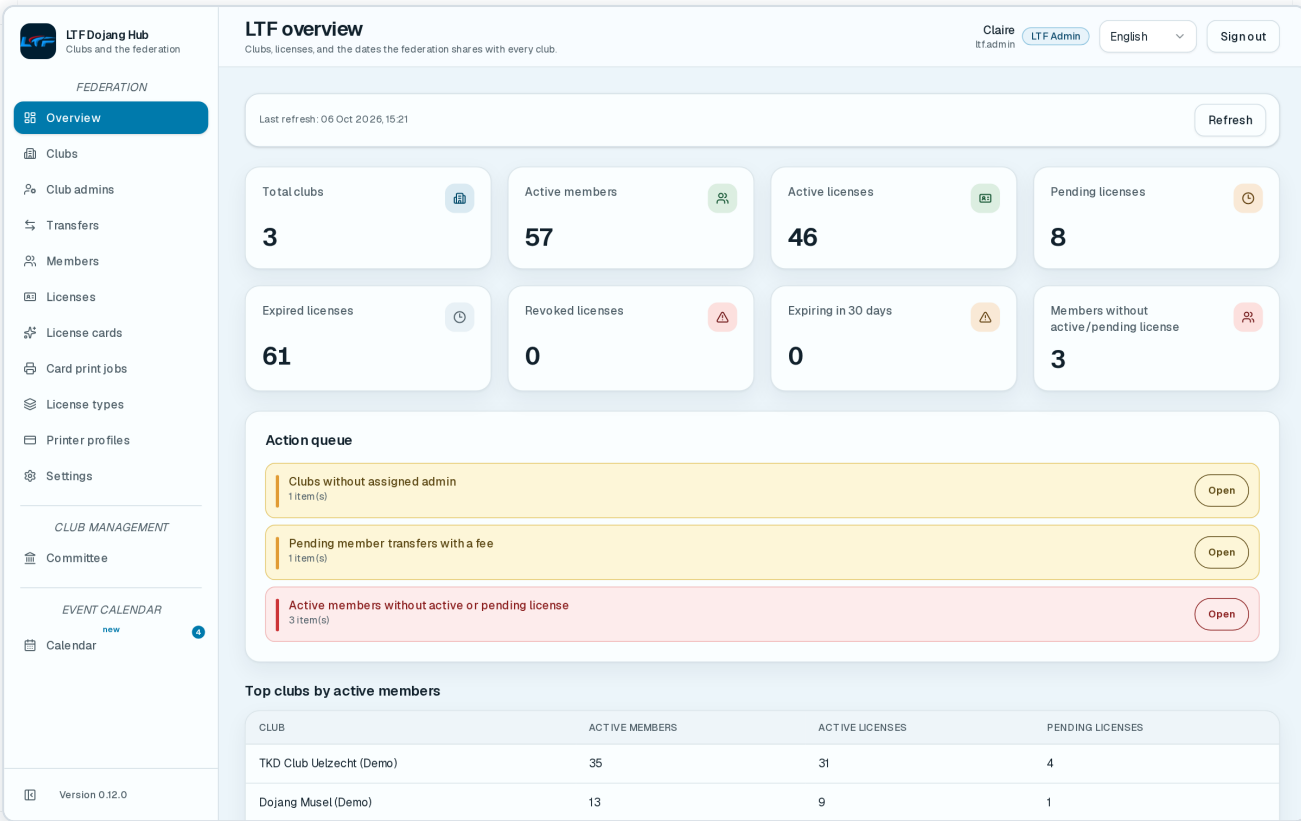

Figure 40 · The LTF overview

11.2 Clubs and club admins

Clubs lists all clubs. Open a club to edit its details, upload its logos (for invoices, printing and screens) and see its members.

Figure 41 · A club seen by the LTF

Club admins works like the club page described in [Club admins](#) (p. 51), but for every club.

11.3 Members, licences and transfers

- **Members** and **Licenses** show all clubs at once; use the club selector to narrow down.
- **Transfers** lists recent club changes, transfers with a fee and possible club tourists – members who changed club unusually often.

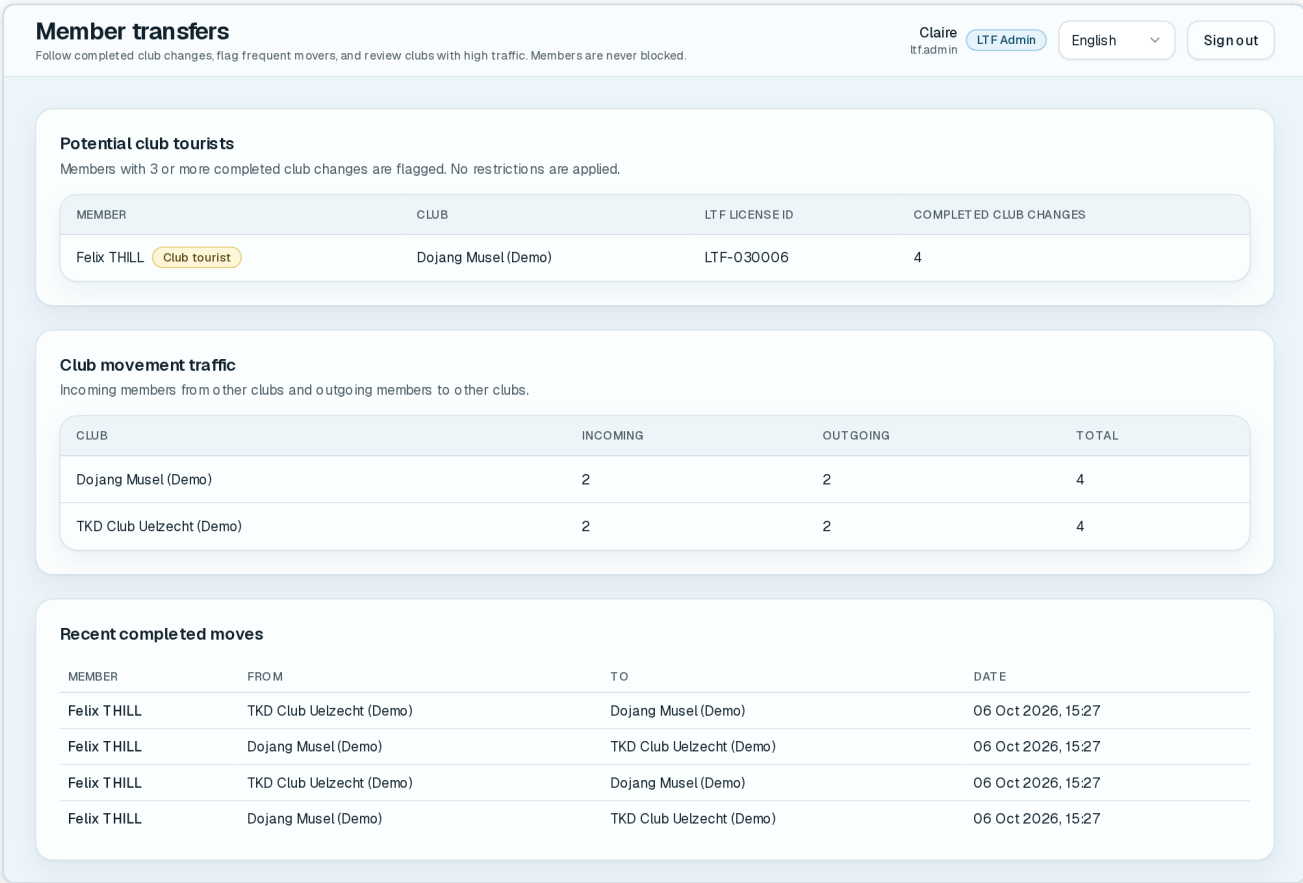

Figure 42 · Federation transfers

11.4 Licence cards

License cards holds the card templates. Open a template in the designer to place the photo, name, grade, licence number and QR code. Publish a version and set it as default: club admins print with it.

Card print jobs shows every print job of every club; **Printer profiles** stores the X/Y offsets of known printers.

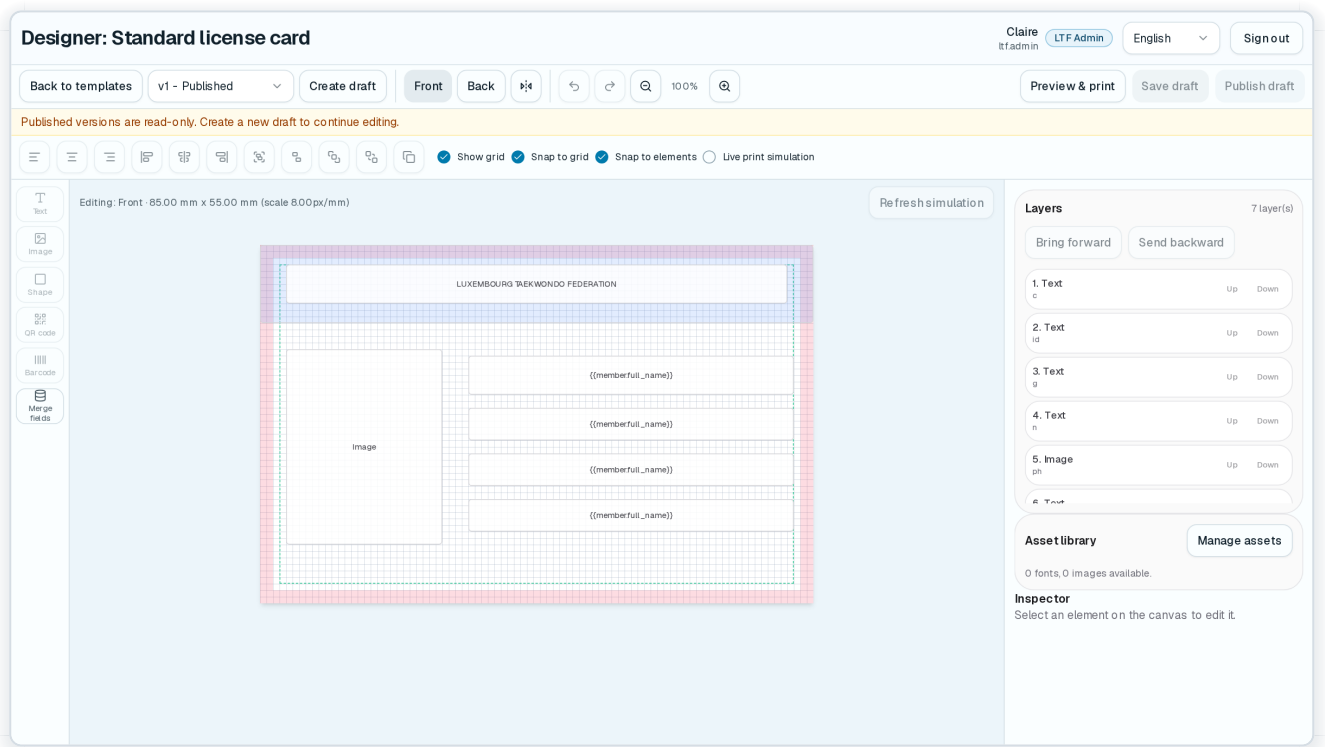

Figure 43 · The card designer

11.5 Federation settings

Settings holds the federation address and IBAN, the **Club-tourist threshold** and the import option **Rewrite LUX- to LTF- on the LTF license ID when members are imported**.

Federation settings
Manage federation profile and Luxembourg address details.

Save settings

Member import: LTF license ID prefix
Club admins keep mapping the CSV member ID to both WT and LTF fields. When this is on, the WT license ID stays as in the CSV, and the LTF license ID is rewritten from LUX- to LTF-. Club admins are told during import whether this rewrite is on.

☐ Rewrite LUX- to LTF- on the LTF license ID when members are imported

Save import prefix setting

LTF Finance

LTF Finance

The finance menu contains **Overview**, **Orders**, **Invoices**, **Payments**, **Income**, **Expenses**, **Bank**, **Reports**, **Audit log** and **Settings**.

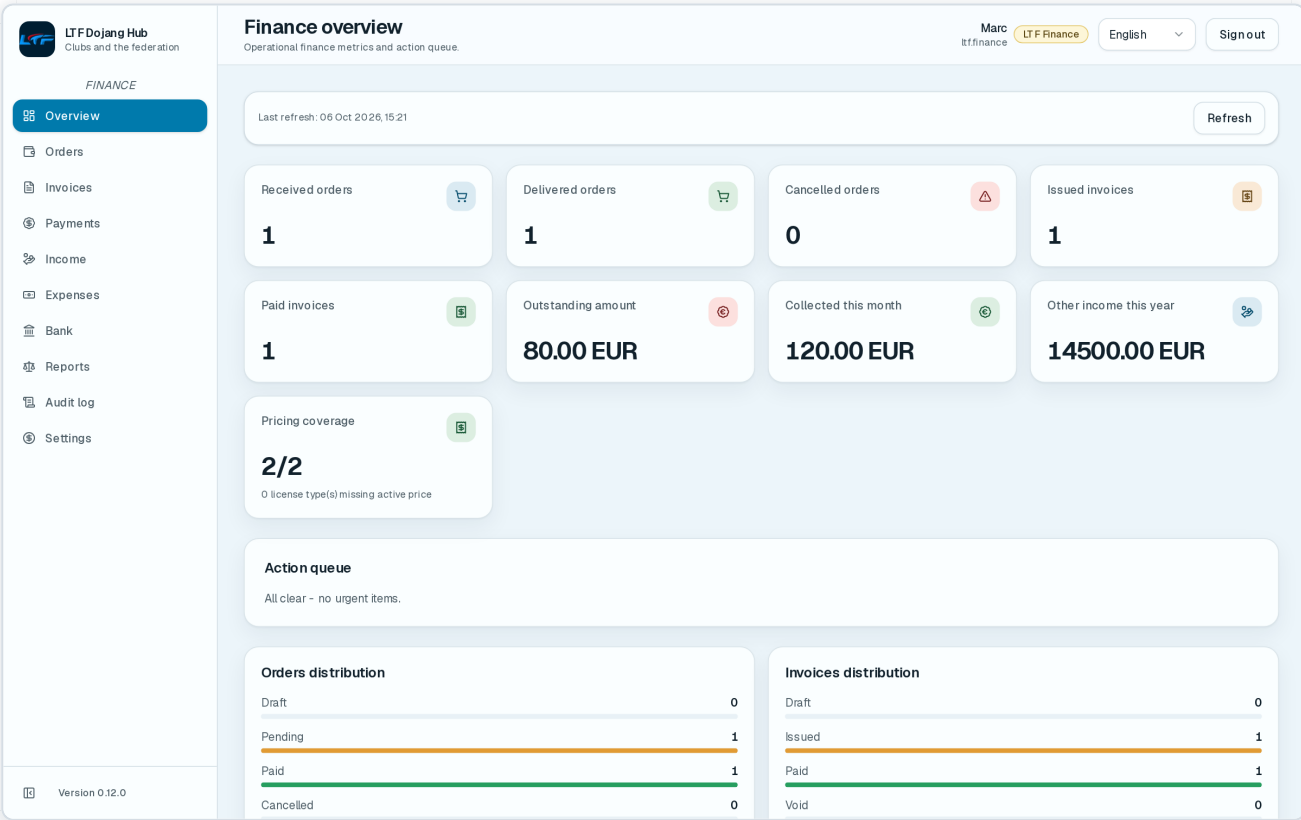

Figure 45 · The finance overview

12.1 Licence prices and ordering windows

In **Settings**, the tab **License types** defines each type and its **Current-year order window** and **Next-year preorder window**. **License prices** stores prices with history: a new price applies from its **Price effective from** date.

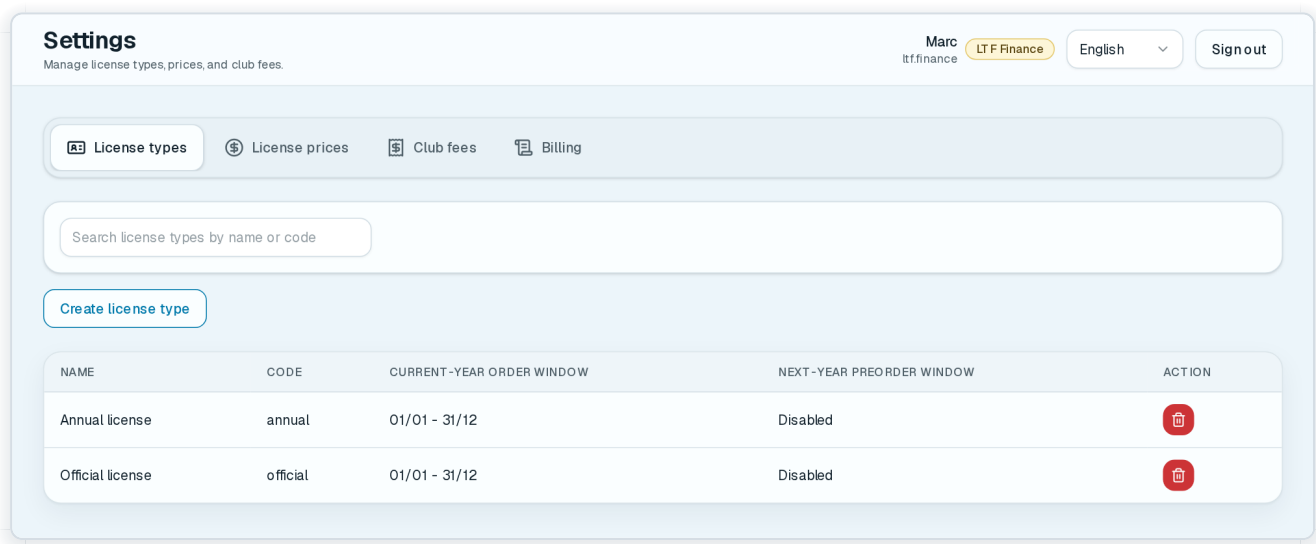

Figure 46 · Licence settings

12.2 Club fees

Club fees lists what the LTF charges clubs (affiliation, insurance...), **Annual**, **Per member**, **Per event** or **One-off**. On the **Billing** tab, choose the **Billing year**, the fees and the clubs, and click **Create invoices for 2026**. A club already invoiced for that year is skipped, so you can run it again safely. **Repeat this billing** repeats the billing monthly or yearly.

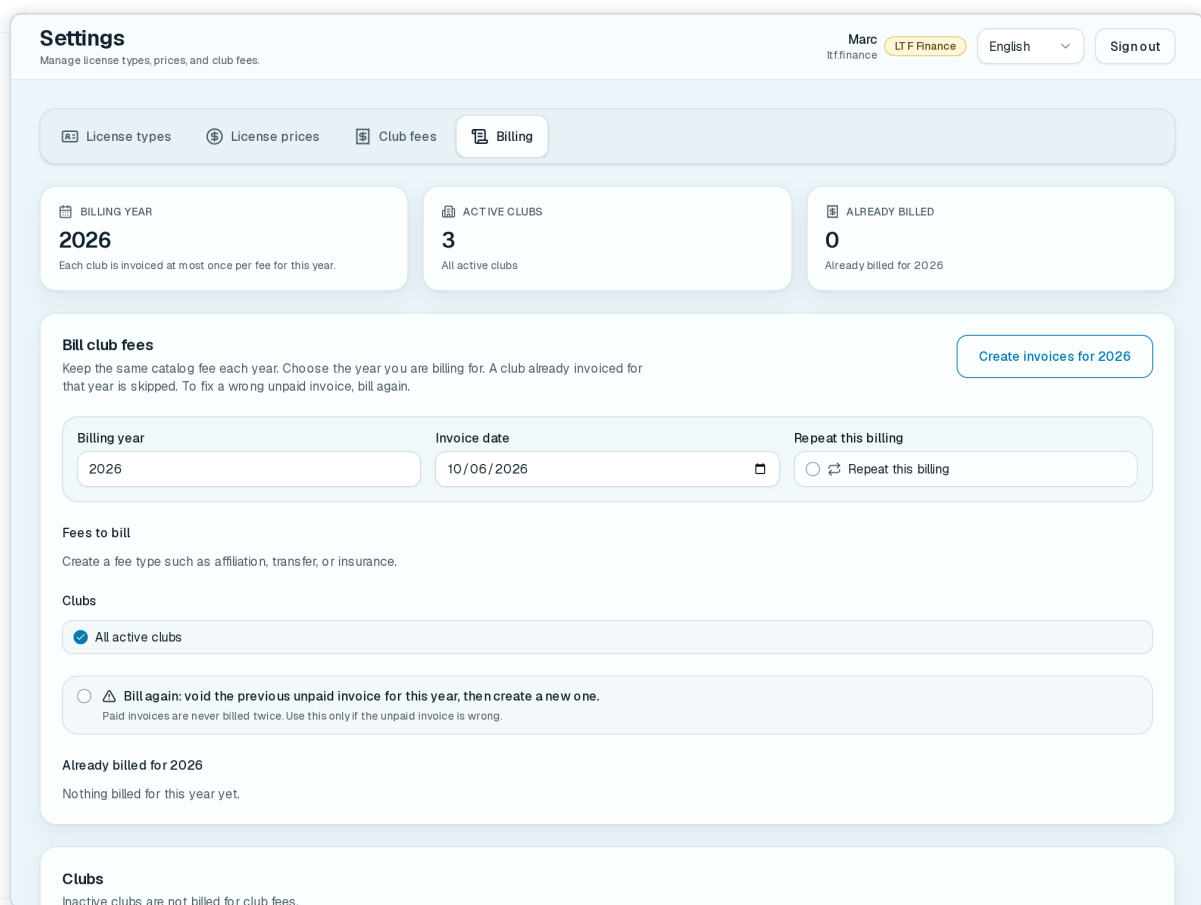

Figure 47 · Billing club fees

12.3 Invoices, payments and credit notes

- 1 Open **Invoices** and click an invoice.
- 2 When the club's transfer has arrived, click **Record payment**. Paid licences become active.
- 3 To reduce what a club owes, enter a **Credit amount** and **Reason** and click **Add credit note**.
- 4 To chase an unpaid invoice, click **Send reminder**. **Last reminder** shows when you last did.

Questions and troubleshooting

I can't sign in.

Check the username (it is not always your email) and the password. If the page says your email isn't verified, see [Verifying your email](#) (p. 8). If you forgot your password, see [Forgotten password](#) (p. 8).

Can members or parents sign in?

No. The app is currently a management tool for club and federation staff only. Members and parents have no login; their club keeps their data up to date. Member access may come later.

A menu item described here is missing.

Your role or your club's modules do not include it. See [Roles](#) (p. 10) and [Modules](#) (p. 10).

I see the wrong club.

Choose your club in the club selector at the top of the page.

"Only the president, vice president, treasurer..." appears when I record a payment.

You do not hold a current committee office. Ask the president to update the [Committee](#) (p. 50).

A household is "Blocked" in billing.

Read the reason in the row. Usually a child needs a bill recipient (see [Families](#) (p. 27)) or no membership fee is set (see [Membership fees](#) (p. 28)).

I can't choose a licence type when ordering.

The reason is written next to the type: the ordering window is closed, there is no price, or the members already have that licence. Windows and prices are set by LTF Finance.

The printed card is shifted.

Print at 100 % and use a printer profile with the right offset (see [Printing licence cards](#) (p. 23)).

Dates look like mm/dd/yyyy.

Date fields follow your browser's language settings. Set your browser to English (United Kingdom), Luxembourgish, German or French to see day/month/year.

The roll shows nobody.

On a new class, add students under [Add students](#) and save. Next time, set them as [Usual students](#) in the [Timetable](#).

The calendar menu shows a number.

It is the number of upcoming events you can see. The word [new](#) appears when some of them are new to you.

Where are my data protection rights?

If you have a login, use the page described in [Privacy and your data](#) (p. 8). Members and parents ask their club or the LTF, who can export or correct their data.

Can we pay online?

Not yet. The [Pay now](#) button runs test payments only. Pay LTF invoices by bank transfer (see [Paying the LTF](#) (p. 32)).

Glossary

Words used in this manual, with the label you see on screen in English and in Luxembourgish. The app itself is available in those two languages.

Term	Screen label (English)	Screen label (Lëtzebuergesch)	What it means
Bank reconciliation	Bank	Bank	Matching an uploaded bank statement with the payments and entries in the books.
Belt test	Belt tests	Gürtelprüfungen	Grading session where candidates pass or fail; a pass records the new grade.
Billing	Billing	Facturatioun	Issuing the membership invoices of a year, or one round of them.
Blocked household	Blocked	Blockéiert	Household that cannot be billed yet, for example no bill recipient for a child.
Club admin	Club Admin	Club Admin	A person who runs the club in the app. Made by another club admin or by the LTF.
Club tourist	Club - tourist threshold	Club - Tourist - Schwellwert	Member flagged by the LTF after many club changes; transfers still work.
Coach	Coach	Coach	Adult member who teaches. Sees the training week and takes the roll; more coach features are planned.
Committee office	Committee	Comité	President, treasurer, secretary... Only current office holders may record payments.
Contact person	Contact persons	Kontaktpersounen	Parent, guardian or emergency contact stored in the club record.
Credit note	Credit notes	Gutschrëften	Document that reduces what is owed on an invoice.
Desk sale	Shop	Buttek	Sale of club equipment at the club desk, paid now or later.
EQF level	Qualification	Qualifikatioun	Coach qualification level used for coach points (1 to 6, with 2 bis).
Family	Families	Famillen	Members billed together on one invoice, with family rebates by rank.
Import	Import members	Memberen importéieren	Creating many members at once from a CSV file, in five steps.
Licence	Licenses	Lizenzen	Yearly LTF licence an athlete needs to train and compete. Pending until the LTF has been paid.
Licence card	Print cards	Kaarten drécken	Printed card with photo, grade, licence number and QR code.

Term	Screen label (English)	Screen label (Lëtzebuergesch)	What it means
Licence fee	License fee	Lizenzkäschten	Amount the club charges a member for their LTF licence, once per season, normally on the first bill of the season.
LTF Admin	LTF Admin	LTF Admin	Federation office. Manages clubs, licences, cards and the federation calendar.
LTF Finance	LTF Finance	LTF Finance	Federation treasurer. Prices, invoices to clubs, payments and federation books.
Médico sportif	Médico sportif	Médico sportif	Sports medical check-up; its date is kept in the club record.
Member	Member	Member	Athlete of a club. Members and parents have no login; the club keeps their data.
Membership fee	Fees	Cotisationsen	The club's yearly dues, set in the price list and charged on each billing.
Module	—	—	Part of the app switched on per club by the LTF, such as club management or the event calendar.
Promotion rule	Promotion	Promotioun	Training hours required before the next grade, counted from the last grade.
Publication consent	Publication consent	Publikatiouns - Accord	Whether a member's photo may appear on the website, in print or on social media.
Qualité+	Qualité+ estimate	Qualité+ Schätzung	Ministry grant per licensed athlete under 16; the app estimates €150 each.
Roll	Take the roll	Präsenz huelen	Attendance list of one class. Saving it marks the class as held.
Subsidy file	Subsidies	Subsiden	Yearly application to the ministry via MyGuichet; the app prepares the lists.
Transfer	Transfers	Transferen	Move of a member from one club to another; the receiving club must accept.
Usual students	Usual students	Gewéinlech Schüler	Students pre-selected on every roll of a weekly class.
Visibility	Who can see this	Wie dat gesäit	Who can see a calendar event: public, internal, private, all clubs, presidents.
